The Raven Pub Grub

Wholesome traditional yummy pub food

Come in, get cosy, try one of our hearty meals and then wash it all down with a pint of local real ale or one of our hand picked quality wines.

As a community focused and run pub, we firmly believe in LOCAL. We pride ourselves in sourcing our ingredients and ales locally as much as possible!

Local Real Ales

We change our fine selection of Real Ales on a regular basis so you might want to call in frequently to taste and enjoy the full range. One of our three hand pumps always serves Cwrw Iâl beer which is just made up the road by our sister community company.
